The perfect Instrument for classical music – Mozart, Beethoven, Haydn, Rossetti etc.

Here I sell my beautiful old natural horn. It's marked "Bessons &Co, London".

The bell is goldplated and wonderful decorated with in oil painted flowers. This decoration is in a very, very good condition – as you can see on the pictures. The horn plays very well with its crook in

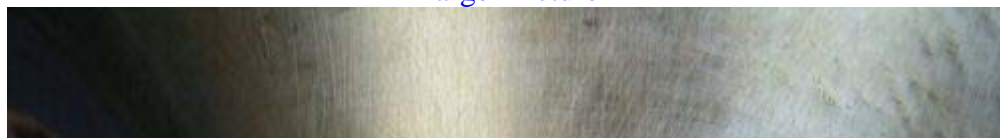

Fa. This is unfortunately the only crook I have for this Instrument. I am first horn in a French Orchestra, which is specialised on historical playing and I played a few times this Instrument. It comes with an old mouthpiece, which fits very well to the crook and to the instrument and with a very old bag – which is not part of the auction – you get it for free.

Of course because of its age there are a few minor dents, and scratches – but nothing which has an influence on sound and playing quality. Intonation and resonance are excellent.

Absolutely no reserve, for sensational 1 \$ starting price !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Shipping within the United States only 39 \$.
